MEMORANDUM FOR MR. HILLENBRAND

Am I correct in believing that we have now reached agreement in Bonn on all hitherto unagreed points in our contingency planning?

LS

Livingston T. Merchant

6/3/59

From what I have been able to put together from cables and my rather incomplete files on the subject, this would appear to be the case for ground assets, subject, ground, the approval of governments. However, contingency planning re certain aspects of and some remains to be completed. This is however study in Bonn.
